

ARTS & CRAFTS COMPETITION GRAND ASSEMBLY 2012

Mother Advisors: Please read at your next meeting.

It is time again to start to think about Grand Assembly...So let's think Arts & Crafts Competition! If you like to create things such as paintings, drawings, scrapbooks, needlework, or like to work with ceramics or wood, then this competition is for you!

Mother Advisors please make copies and fill out one form for each girl's entry. The entry form is also available on the website.

In order to ensure that as many girls as possible earn ribbons, please note that there is **ONLY ONE ENTRY PER GIRL.**

The entry must have been completed between Grand Assembly 2011 and Grand Assembly 2012. All entry forms **MUST BE POSTMARKED BY February 24, 2012.**

All entries must be checked into the Arts & Crafts Booth between 9:00 am and noon on Saturday March 31, 2012, or during the 30 minutes after the session is over on Saturday March 31, 2012.

Mother Advisors please check that each form is **legible** and the **description of the entry is detailed enough** so that the Arts & Crafts committee will know which entry belongs to which girl. To avoid any bias in judging, the girl's name should **NOT** be on the entry.

If there are any crafty adults in your Assembly who would like to help out at Grand Assembly by being a judge, please have them fill in the attached form and return it to me.
