What is an Awesome Assembly?

The Awesome Assembly award is designed to help assemblies carry out a well-rounded program and to recognize outstanding assemblies who achieve this goal. The requirements also help the assembly with planning the year's activities by incorporating IORG knowledge, community events, and fun activities.

Here is how you can become an Awesome Assembly!

- ♥ Your assembly must complete a total of 15 items from the list. (3 from the Community section, 6 from the IORG section, and 6 from the Fun & Friendship section).
- ♥ The time period for this project is **February 2, 2011 to February 1, 2012.**
- ♥ This is an assembly project which means that each member of the assembly (including the adults) is expected to participate.
- ♥ The same activities should not be used to fulfill more than one requirement.
- ♥ Awesome Assembly forms must be submitted by **February 15, 2012.** They need to be signed at the bottom of page 2 by the Worthy Advisor, Mother Advisor and Grand Deputy. Please send them to the address below.
- ♥ Don't forget that the definition of pure service hours is a donation of time, skills, or services that have been given from the heart with no monetary payment in return.
- ♥ Awesome Assemblies will be announced at Grand Assembly. Each assembly (not previously designated an A.A.) will be given a special patch and 2012 charms for each member to wear proudly! Awesome Assemblies earning this award for subsequent years will receive special patches for each new member and 2012 charms for all members.
